2023 HIGHLIGHTS

Virginia State University announced its highest enrollment in school history, with 5190 students enrolled for the fall 2023 semester. The university also welcomed a record number of first-year students, with 1489 students joining the freshman class of 2027. According to the State Council of Higher Education for Virginia, VSU had the highest enrollment increase of any college in the state from 2022 to 2023.

Virginia State University was recognized among the 2023 "Most Prestigious Universities Driving Student Success and Career Growth" by Insight Success magazine. A six-page article was featured in the magazine, displaying the hard work and commitment of our Trojan Family to ensure that Greater Happens Here.

Virginia State University ranked 16th overall in the U.S. News and World Report's 2024 rankings for HBCUs. There are 107 HBCUs in the United States. The report also ranked VSU first in the state as a Performer on Social Mobility, a list that evaluates which schools best serve and graduate underrepresented students.

Virginia State University announced that it is the first university in the Commonwealth of Virginia, and one of the first in the nation, to offer Wi-Fi 6E to its campus. Wi-Fi 6E is the latest generation and is considered the gold standard for Wi-Fi internet. The project was funded by a \$2.8 million grant from the National Telecommunication and Information Administration (NTIA).

Virginia State University announced a first-of-its-kind and innovative program designed to attract and retain highly qualified employees and improve the economies of local communities. The VSU-HAPI (Home Assistance Payment Initiative) will provide eligible homebuyers up to a \$10,000 match toward the down payment or closing cost of a newly purchased home.
