

Campus Perimeter + Vehicular Access | Property Acquisitions for a Secure Campus

Recommended Parcel Group Acquisitions for Enhanced Campus Perimeter Safety and Security:

- Allows for enclosure of entire campus property.
- Potential to separate MPC area and parking for outside events while maintaining continuity with rest of campus at other times.
- Consider separate fencing for Summerseat property
- NOTE: VSU has plans for a remote guard station to the west of Quad II

- Interior Parcels (currently for sale)
- Interior Parcels (with operational issues)
- Edge Parcels (potential commercial dev.)
- Campus Perimeter Barrier
- Campus Entry/Exit Point
- Emergency Access Gates
- Parking Perimeter Barrier (Moveable)
- Internal Vehicular Circulation
- Future Fall Line Trail
- Proposed New Guard Station
