### Important Facts about Winter Session:

Please verify by checking the box next to each statement, that you have read and understand the following:

Winter session financial aid is only available to students seeking a degree from Virginia State University.

Due to the limited availability of financial aid, funding is not guaranteed.

Student must be eligible to receive financial aid based on Satisfactory Academic Progress (SAP).

SAP will be processed at the end of winter term for students enrolled; this may affect a student's spring 2025 financial aid status.

For financial aid purposes, the winter session is an extension of the fall 2024 semester.

If a student has remaining eligibility from the fall term, the student may be allowed to use financial aid to pay for winter session.

Winter session awards will not be mailed. Students may access their award via Banner 9 Self-service. Students should check their VSU email frequently for updates.

Student must be registered for classes to be considered for financial aid.

Student must complete the 2024-2025 Free Application for Federal Student Aid (FAFSA) to be considered for any winter session aid. Visit [www.fafsa.gov](http://www.fafsa.gov) – school code is 003764.

Pell Grant: eligible students enrolled less than full-time for the fall semester and enrolled for winter session by the fall census date (October 31<sup>st</sup>) will automatically be evaluated for potential Pell Grant eligibility.

Federal Parent PLUS (dependent students only) – requires a minimum of 6 credit hours between the fall semester and winter session.

Regardless of the amount of financial aid awarded, students are still responsible for the remainder of the winter session bill.

### Student Affirmation:

I have read and understand the above information. If a class is dropped or canceled, it is my responsibility to enroll in another class for the winter session. **I understand that submitting this application does not guarantee I will receive financial aid.** I understand that my financial aid may be canceled or adjusted if federal, state and/or institutional regulations are not met. If this occurs, I'm responsible for immediate payment of any balance created as a result of the cancellation or adjustment.
