Virginia State University recognizes that standard financial aid forms do not always capture the full financial profile of our students and their families. Through the use of Professional Judgment, the Financial Aid Office **may** be able to make adjustments to your FAFSA which **could** result in a recalculation of aid eligibility at Virginia State University. All Professional Judgment cases are subject to a review and are not guaranteed to result in any additional financial aid. **All decisions are final.**

All documentation required must be attached. Incomplete information and telephone requests will not be accepted. Please **NOTE** the student/and or parent(s) have the primary responsibility for any financial obligation that may exist prior to the completion of the review process.

Response and Turnaround Time:

Professional Judgment Appeals are frequently a committee process. Please allow at least 3 weeks for a response. During peak processing times (January through June), it may take 4-6 weeks for an appeal to be reviewed by the committee. The student and parent will be informed of the decision by e-mail; we will use the e-mail address provided at the top of this form.
