

2023 Summer School Application

Deadline to submit Summer School Application is May 31, 2023.

VERY IMPORTANT: If you have remaining eligibility from the current academic year, you may be allowed to use your financial aid to pay for summer school. **For example, a student who received loans in the fall 2022/spring 2023 and used all of their federal loan eligibility, cannot use these funds for summer school 2023.** Also, year-round Pell grant may be available to you based on eligibility and criteria.

- Students are required to have completed the 2022-2023 Free Application for Federal Student Aid (FAFSA) in order to receive summer financial aid.
- Summer school awards will not be mailed. You may access your award after May 1, 2023 via Banner self-service using your generated V# and pin. Also, please check your VSU email frequently for updates.

Reminder: You must take 6 credit hours and be in good academic standing to receive financial aid during the summer sessions. Financial Aid will not be disbursed or will be withdrawn for students that do not maintain six (6) credit hours, regardless of the reason. If a class is dropped or cancelled, it is the student's responsibility to enroll in another class for the summer session.
