

Virginia State University Graduate/Doctoral Academic Plan Graduate Student Agreement for Financial Aid Recipients

Federal regulations require students to maintain Satisfactory Academic Progress (SAP) in three areas: (1) Cumulative grade point average (GPA), (2) course completion rate (hours completed/hours attempted), and (3) maximum timeframe to completion, to be eligible for financial aid.

In order to maintain eligibility for financial aid from Federal, State and Institutional programs at Virginia State University, a student must continue to make reasonable satisfactory academic progress toward completion of their degree program of study.

Classes that are withdrawn from with a grade of "W" or an "I" for Incomplete may affect the student's Satisfactory Academic Progress.

I agree to use the strategies that will be mapped in my Academic Plan. I understand that if I do not earn the required semester GPA and have not successfully passed the required semester hours as stipulated by the Office of Student Financial Aid (Satisfactory Academic Progress Policy), I will be placed on Financial Aid Cancellation. Students submitting an Appeal Letter for consideration of reinstatement of their financial aid must do the following:

1) Submit the Appeal Form 2) Submit the typed Explanation Letter (Personal Assessment). 3) Submit the typed Graduate/Doctoral Academic plan. 4) It is the responsibility of the graduate student to check the accuracy of his/her transcript; if there is a discrepancy please contact your professor. When the discrepancy is resolved, please notify the Financial Aid Office.
