VIRGINIA STATE UNIVERSITY ANNUAL REPORT

Delegate Alfred W. Harris founded present-day Virginia State University (VSU) in 1882. It was then known as Virginia Normal and College Institute and represented the nation's first fully state-assisted college or university for Blacks. Today, only about one-third of VSU's operating budget comes from state funding.

A comprehensive university, VSU is one of two land-grant institutions in the Commonwealth of Virginia. Our mission is to promote and sustain academic programs that integrate instruction, research, and extension/public service in a design most responsive to the needs and endeavors of individuals within our scope of influence.

The University educates over 4,600 students who are majoring in one of 34 undergraduate programs leading to a bachelor's degree and 18 graduate level, master's and doctoral programs.

Ultimately, the University is dedicated to the promotion of knowledgeable, perceptive, and humane citizens – secure in their self-awareness, equipped for personal fulfillment, sensitive to the needs and aspirations of others, and committed to assuming productive roles in an ever-changing global society.

Through community involvement, a challenging academic program, diverse student organizations and exciting extracurricular activities, Virginia State University is Virginia's Opportunity University.

Honoring a Legacy: The M.T. Carter Annex Marks a New Era in Agricultural Research

On September 15, 2023, Virginia State University proudly unveiled the M.T. Carter Annex, a transformative space dedicated to pioneering research in agriculture and related fields. This state-of-the-art facility embodies the remarkable legacy of Professor Millard Tennyson Carter, a 1932 graduate and 45-year pillar of our institution.

Professor Carter's dedication to Virginia State, then known as Virginia State College for Negroes, began in 1928 when he arrived from the Eastern Shore seeking an Agricultural Education degree. He seamlessly transitioned into the faculty upon graduation, igniting a lifelong commitment to shaping future generations of agricultural leaders.

For over four decades, Professor Carter served with distinction. His contributions were instrumental as an instructor, Assistant Professor, Associate Professor of Agricultural Economics, and ultimately Director of the School of Agriculture. He is considered one of our earliest agricultural researchers and a true pioneer who laid the groundwork for Virginia State's enduring impact in this field.

The M.T. Carter Annex carries Professor Carter's torch forward. This cutting-edge facility features:

- Three adaptable laboratory spaces primed for groundbreaking research in food science, environmental and plant science, animal science, biotechnology, and nanotechnology.
- Eleven dedicated faculty offices to be used to foster collaboration and innovation.
- A teleconferencing room facilitating seamless communication and knowledge exchange.
- A 775-seat multipurpose auditorium creating a dynamic space for presentations, lectures, and symposiums.
- Energy-efficient mechanical, electrical, and plumbing systems ensure sustainability and responsible resource management.

The M.T. Carter Annex is more than a building; it's a testament to Virginia State University's unwavering commitment to agricultural excellence. Its where groundbreaking research will flourish, and Professor Carter's legacy of dedication inspires generations to come.

MESSAGE FROM THE PRESIDENT

Dear VSU Investors and Friends,

Our Annual Report on Gifts and Contributions for the 2023 Fiscal Year encapsulates the remarkable initiatives and scholarships that have defined the past year, offering a comprehensive overview of our endowment and financial results. It also serves as a testament to the extraordinary philanthropy that continues to drive progress on our campus.

I sincerely thank our esteemed Board of Visitors for their stewardship and unwavering support. The steadfast support of our donors remains resolute. Through their remarkable dedication, we have alleviated the financial burden on many of our students by providing scholarships and contributing to the Tuition Assistance Fund. These contributions have enabled us to support students who embody the academic excellence, dedication, and resilience that define our institution.

Furthermore, I am immensely proud of our dedicated faculty and staff, whose unwavering commitment to innovation and excellence fuels our institution's continued success. Our successes have been many, and we are excited about what lies ahead in 2024, as this will be a history-making year at Virginia State University when we become the first HBCU in the country ever to host a general election presidential debate.

As we seek to advance the University's mission, we rely on our investors and donors for their continued support. In recognition of those contributions to VSU, we have included a donor honor roll that identifies every donor and highlights our Powell Society and 1882 Society members. This report also provides a list of funds with contributions received during the fiscal year 2022 from both VSU and the VSU Foundation.

While this report highlights a selection of our achievements, every gift—no matter its size—is deeply appreciated and plays a vital role in our collective progress. Your support ensures that Virginia State University remains a beacon of transformative academic experiences.

On behalf of the entire VSU community—faculty, staff, and students—I extend heartfelt thanks for your investment in our institution. Together, we continue to make Greater Happen Here.

Hail State! Hail State! Hail! Hail! Hail!

Greetings,

The Virginia State University Foundation Board of Trustees and staff is pleased to express our appreciation for the support we receive from the Office of Advancement and External Engagement (AEE). Your partnership is proving to be invaluable as we continue to strengthen our university's financial position in a very competitive environment.

The Virginia State University Foundation serves as an affiliated organization with a mission of assisting the University through financial support and financial management services. In fiscal year 2023, Foundation endowments and operating funds given by corporations, friends, and alumni, provided the University with \$969,400 in scholarships, \$348,400 for Athletics, and \$927,500 to Programs for an approximate total of \$2,245,300.

We recently added four new Trustees to the Foundation Board. Their skill sets include non-profit experience, fundraising, data analysis, and information systems. This wide range of skills complements the Foundation's current set of visionary leaders and industry professionals. This addition brings the total number of Trustees to 19.

Virginia State University's students and staff continue to be challenged in many unprecedented ways. However, the Office of Advancement and External Engagement's significant increase in fundraising will help to relieve some of the financial pressures on both students and the University. In addition, the VSU Foundation Fellows (graduates of VSU since 2000) have worked with AEE on various initiatives to raise funds for the Foundation. These initiatives are targeted toward students and alumni. This is a good extension of our partnership.

The Foundation is partnering with the University to begin the purchase of properties on its borders. This is a significant step towards ensuring the University controls its footprint and allows it to create a safer environment. The Foundation is very appreciative of the Office of Advancement and External Engagement for its dedication and commitment to its mission. Our successful partnership strengthens both missions and directly benefits the University and the students.

CELEBRATING A GREATER YEAR FOR VIRGINIA STATE UNIVERSITY

I am thrilled to write to you today to celebrate a truly extraordinary accomplishment – a record-breaking year for fundraising at Virginia State University! Thanks to the incredible generosity of our alumni, friends, corporations, and foundations, we surpassed our fundraising goal by a greater margin than ever before and raised a total of \$6.26 million in fiscal year 2023.

This remarkable achievement is a testament to the greater power of your collective belief in our mission. Your contributions will have a greater impact on every aspect of Virginia State University, allowing us to:

- Invest more greatly in our students: Provide scholarships and financial aid to deserving students, enhance academic programs to a greater degree, and create even greater opportunities for research and internships.
- Empower our faculty to a greater extent: Attract and retain world-class professors, support groundbreaking research initiatives with greater resources, and foster a vibrant and intellectually stimulating environment for all.
- Strengthen our campus facilities significantly: Upgrade classrooms and laboratories, vastly expand our library resources, and build new spaces that inspire learning and collaboration to a greater degree.

How has Greater Happened Here for you?

“Greater happened for me at VSU when I was selected for an internship with a fortune 500 technology company who went specifically to VSU to select their interns. I was able to work closely with their team on a project that resulted in me receiving a full time job offer before I even graduated. I am forever grateful to VSU for giving me such a rare opportunity.”

How will you continue to make greater happen after VSU?

“I am currently working with my employer to get an intern pipeline directly from our beloved Virginia State to Micron Technology. This will benefit both parties and aid in ensuring that greater does happen at State.”

Your favorite memory on “The Hill”?

“My favorite memory on The Hill is definitely the first Homecoming after COVID in 2021. The vibes were immaculate! I will forever love and cherish my VSU.”

How did this scholarship assist you?

"This scholarship has provided me with financial assistance to continue my education and gives me perspective to keep pushing through. College is not cheap and is not easy. Costs as a student are expensive. We must account for tuition, room and board, groceries, entertainment, books, additional fees, and the lengthy list continues. Few people understand the real lifestyle of a "broke college student." Also, the experiences we face as HBCU (Historically Black College and University) students can be overwhelming. Having to juggle classes, attend extracurricular activities and figuring out one's identity are challenging. College also has many distractions that everyone who has been to college can attest to. Therefore, we must stay focused on our "Why." Why am I here? Why am I studying this major and what change can I make upon graduation? Why is college beneficial to me? Thus, this scholarship means much more to me than I could explain on paper. It lifts a weight off both me and my family's shoulders financially by aiding my continuance to be the best student and individual I could be."

Your favorite memory on "The Hill"?

"My favorite memory on "The Hill" would have to be Homecoming. As my sister used to be a Trojan, she would tell me how much of a big deal homecoming was. It was not until my sophomore year that I got to witness it for myself. Coming into college the year that Coronavirus was starting to diminish; homecoming was not as "big" as the upper-class students would say it used to be. This gave me higher hopes for homecoming my sophomore year as most people have been vaccinated, masks are no longer required, and cleanliness is emphasized. Homecoming was much more than I expected it to be. "The Hill" was hot. From the food trucks to the black business vendors to the tailgating tents, homecoming was the place to be. With this, it was a joy seeing all the alumni return to their Alma Mater. Classes dating back to the nineties up until last year would come and reconnect with the school they once went to. People bringing their families with them to share the enjoyment all pieced our school together. Memories were made and will continue to be made. Seeing this made me realize that Virginia State is a family. I hope to one day be able to attend my friend from college's wedding or see individuals that I went to college with, thriving. Once a Trojan, always a Trojan. Hail State!"

A DONOR BILL OF RIGHTS

PHILANTHROPY is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To assure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

I.

To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.

II.

To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgement in its stewardship responsibilities.

III.

To have access to the organization's most recent financial statements.

IV.

To be assured their gifts will be used for the purposes for which they were given.

V.

To receive appropriate acknowledgement and recognition.

VI.

To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.

VII.

To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.

VIII.

To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.

IX.

To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.

X.

To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

EVENING SONG

BY ALSTON WATER BURLEIGH
1930

Far above the Appomattox,
On its lofty hill,
Stands the school we love so dearly,
And we always will.
Through the years may come between us,
Still what'ere our fate,
We will keep thy song before us,
Hail Virginia State.

Keep our aim and purpose steadfast
Thru the darkest night,
Lead us on to full achievement,
By thy guiding light;
Then when we fulfill our mission,
Be it small or great,
We will sing thy praise forever,
Hail Virginia State.

Refrain

Carry me back to Alma Mater.
Life's sweetest song we will sing to our Mother,
Hail to Virginia State, our home forever more.
