Office of Student Accounts

August 30, 2022

Dear CWS Student:

Effective immediately, Virginia State University's Office of Student Accounts no longer offers the College Work Study Deferment Agreement (CWS Deferment Agreement). This change in university policy **DOES NOT** negatively impact your fall 2022 validation. Beginning September 15, 2022, you will receive your full paycheck (minus any taxes or other deductions) for CWS hours worked.

If you have any questions regarding this decision, please do not hesitate to schedule a virtual appointment with the Office of Student Accounts by clicking [HERE](#) or call (804) 524-5506.

Sincerely,

Alvin Cannon

University Bursar
